

**INTERNET PARENTAL CONSENT AGREEMENT
IMPORTANT NOTICE TO PARENTS**

Due to the nature of the Internet, it is neither practical nor possible for the school district to enforce compliance with user rules at all times. Accordingly, parents and students must recognize that students will be required to make independent decisions and use good judgment in their use of the Internet. Therefore, parents must participate in the decision whether to allow their children access to the Internet and must communicate their own expectations to their children regarding its appropriate educational use.

As a parent/guardian of this student, I have read the board-adopted policies on Internet Use by Students (Policies IJ, IJ-R, IJB, and IJBD) the administrative procedures, and the Internet Network Access Agreement ((Policy IJ-E (1), exhibit in IJ)).

- I understand that Internet access is designed for educational purposes and that the school/district will attempt to discourage access to objectionable material and communications that are intended to exploit, harass or abuse students. However, I recognize it is impossible for the school district to restrict access to all objectionable material, and I will not hold the school or school district responsible for materials acquired or contacts made on the Internet.
- I understand that a variety of inappropriate and offensive materials are available over the Internet and that it may be possible for my child to access these materials if he/she chooses to behave irresponsibly. I also understand that it is possible for undesirable or ill-intended individuals to communicate with my child over the Internet, that there is no practical means for the school/district to prevent this from happening, and that my child must take responsibility to avoid such communications if they are initiated. While I authorize the staff to monitor any communications to or from my child on the Internet, I recognize that it is not possible for the school to monitor all such communications. I have determined that the benefits of my child having access to the Internet outweigh potential risks.
- I understand that any conduct by the herein named student that is in conflict with these responsibilities is inappropriate, and such behavior may result in termination of access and possible disciplinary action.
- I have reviewed these responsibilities with my child, and I hereby grant permission to the school/district to provide Internet network access.
- I agree to compensate the school/district for any expenses or costs it incurs as a result of my child’s violation of Internet policies or administrative procedures.
