# Neshoba County School District

### **Neshoba Central Middle School**

## **Active Parent**

#### **Online Account Form**

Beginning March 2010, Neshoba County School District will allow parents to access their child's grades, attendance and discipline records online. Parents can access this secure online login site by following the links provided:

#### https://ms5000.activeparent.net

The district has established a procedure for parents to create a login account. This form explains the procedure and serves as the final signature form to be returned to the school principal.

- 1. Go to the link above and create an account by clicking on "Sign up for an Active Parent Account".
- 2. Enter all the required information, selecting a username and password, select your student(s) name by entering all required information.
- 3. Once your account has been created, you must then fill out the rest of this form and <u>personally</u> deliver it to the school.
- 4. The principal may want to meet you and confirm that you are the parent or guardian of the student or students whose information you are requesting to view online.
